Athletes may voluntarily nominate the WCRA/WRWC events they participate in towards an open segment to earn standard VRQ points toward that segment.

The Event World Points above only apply to the 2024 VRQ Champion Bonus Program. WCRA reserves the right to modify the Event World Points values for the 2025 VRQ Champion Program following the conclusion of the 2024 WCRA Rodeo Carolina.

7. FAIR COMPETITION AND CONDUCT.

Each Athlete agrees to compete in the VRQ Champion Program fairly and in good faith, in accordance with applicable laws and all rules, guidelines or codes of conduct applicable to the VRQ Champion Program. WCRA reserves the right in its sole discretion, immediately and without prior notice or liability to the Athlete, to disqualify any Athlete, suspend or terminate an Athlete's ability to participate in the VRQ Champion Program, or refuse to award all or any portion of an Award to an Athlete, and require the return of all or any portion of an Award (upon notice) from an Athlete, if the WCRA determines, in its sole discretion, that such Athlete, by way of example and not limitation, engages in or is suspected to have engaged in conduct WCRA deems to be improper, unfair or adverse to the operation of the VRQ Champion Program, or detrimental to other Athletes or WCRA, is not 13 years old at the time of registration, resides in a jurisdiction where participation is prohibited by law, is suspected of cheating, colluding with other Athletes or violating these Program Rules or any rules applicable to the VRQ Champion Program, falsifies personal information during registration or when claiming an Award, attempts to influence the outcome or results of any discipline eligible for the VRQ Champion Program, abuses, harasses, impersonates, intimidates or threatens other Athletes, violates any code of conduct or similar policy or guidelines that may be adopted by WCRA from time to time (including, if applicable, prohibitions against animal cruelty, domestic abuse or other designated categories of immoral conduct) or violates the Terms of Use or Privacy Policy of the WCRA's website or the VRQ App. Each Athlete acknowledges that WCRA's forfeiture and/or return of any prize or suspension or termination of an Athlete's ability to participate in the VRQ Champion Program shall in no way prevent WCRA from also pursuing criminal or civil proceedings in connection with such conduct.

8. LEGAL DISCLAIMERS

Changes to these Program Rules. Except for provisions regarding binding arbitration and waiver of class action rights, WCRA reserves the right, in its sole discretion, at any time, to add to, delete from, change, modify or replace all or any part of these Program Rules and/or impose new terms and conditions on the VRQ Champion Program, which additions, deletions, changes or modifications, shall be effective immediately upon posting on the website, the VRQ App or by other means by which Athletes may obtain notice. The most current version of these Program Rules will be posted on the WCRA's [website](#) and the WCRA App. Each Athlete is solely responsible for reviewing and becoming familiar with any such modifications, and an Athlete's continued participation in the VRQ Champion Program shall constitute acceptance of such changes, modifications or additions. Each Athlete that receives an Award must provide to the WCRA the appropriate IRS form(s) (e.g., Form W-9, Form W-8BEN). To the extent required by law, the WCRA will send to each Athlete that receives an Award an IRS Form 1099-MISC showing the value of the Award as "nonemployee compensation."

THE FOREGOING INDEMNIFICATION SHALL SURVIVE ANY TERMINATION OR THE EXPIRATION OF THE TERM OF THESE PROGRAM RULES.

11. ARBITRATION

If there is any dispute, claim, question or disagreement concerning or relating to these Program Rules or the VRQ Champion Program (a "Dispute"), an Athlete (and the Athlete's parent or legal guardian if the Athlete is a minor) shall notify WCRA in writing to attempt to resolve such Dispute in good faith negotiations. For a period of 30 days following such notification, the parties shall use their best efforts to settle any such Dispute in these good faith negotiations, which shall be a condition precedent to either party initiating arbitration. Each Athlete (and such Athlete's parent or legal guardian if the Athlete is a minor) agrees that any Dispute must be filed within one year after such Dispute first arises or it is forever barred. All Disputes, regardless of the grounds upon which such Dispute is brought, shall be settled by binding arbitration conducted by a single, independent arbitrator and administered by the American Arbitration Association Commercial Arbitration Rules and procedures then in effect, but excluding any rules or procedures governing or permitting class actions. By agreeing to arbitrate all Disputes, each party waives all rights to a trial by jury in any action or proceeding involving any Disputes. The arbitration shall take place in Travis County, Texas. Each Athlete (and such Athlete's parent or legal guardian if the Athlete is a minor) agrees to submit to the personal jurisdiction of any federal or state court in Travis County, Texas, in order to compel arbitration, to stay proceedings pending arbitration, or to confirm, modify, vacate or enter judgment on the award entered by the arbitrator, and each Athlete (and such Athlete's parent or legal guardian if the Athlete is a minor) waives any argument that such forum does not have personal jurisdiction, is not appropriate or is inconvenient. Each Athlete (and such Athlete's parent or legal guardian if the Athlete is a minor) further agrees that all Disputes and causes of action arising out of or in connection with the VRQ Champion Program, or any VRQ points or Awards, shall be resolved individually without resort to any form of class action and shall not be consolidated or joined with or in any arbitration or other proceeding involving a Dispute of any other party – the arbitrator shall have no authority to arbitrate any Dispute as a class action or in any other form other than on an individual basis. Judgment on the award rendered by the arbitrator may be entered by any court having jurisdiction thereof.

12. GOVERNING LAW AND JURISDICTION

These Program Rules shall in all respects be interpreted, enforced and governed under the laws of the State of Texas, without regard to any rules of conflict of laws that would require the application of the laws of a state other than Texas.

13. GENERAL TERMS

The section headings used herein are for convenience only and shall not be given any legal import. If any provision of these Program Rules is found to be invalid or unenforceable, or interpreted to materially affect the intent of the parties, such provision may be modified by WCRA, but in no event will such provision affect the validity or enforceability of any other provision. In any case, whether a provision is modified or not, all remaining provisions of these Program Rules shall remain in effect and shall be construed in accordance with their terms. The application and interpretation of these Program Rules will be made by WCRA in its sole discretion, and such application and interpretation shall be final and binding on all parties. These Program Rules (and any additional terms, rules and conditions applicable to an Athlete's participation in the VRQ) constitute the entire agreement between the parties with respect to the subject matter contained herein and supersede all previous and contemporaneous agreements, proposals and communications, written or oral, between the parties with respect to such subject matter. The terms and provisions of these Program Rules regarding Limitation of Liability or Arbitration shall survive the completion of the VRQ Champion Program or termination of these Program Rules.
